

DAVE WHITE  
SUMMER 2020

## D A V E   W H I T E

The Drang Gallery is proud to present a collection of works by British contemporary artist Dave White. Featuring highly anticipated new paintings and a selection of exclusive editions in the artist's much loved trademark style.

Having pioneered the Sneaker Art movement in the early 2000's, White has gained international acclaim and consequently launched his own signature collaborations with brand Jordan and Nike. His work has continued to be admired by major brands.

Interested in wildlife's 'struggle for survival' the artist is best known for his animal series in which endangered species are painted with expressive and dynamic brushstrokes, a style reminiscent of 1950's Abstract Expressionism.

Enjoying success from the inception of his career, White has had major exhibitions in London and overseas. International highlights have included the People's Square Exhibition Hall (Shanghai), Dia Art Centre (New York), Centre for Arts (Rotterdam), and Art Basel (Miami). His work has featured alongside David Hockney and Picasso at Sotheby's Blue Cross Centenary exhibition and in 2018 he created a hand painted Rhino for the charity Tusk which was auctioned at Christies, London.
